

RETAIL RANGE

This AF range has been specifically developed to encourage and increase the safe, systematic cleaning of every kind of office equipment. It is also ideally designed for retail channels. With eye-catching, modern and highly visible packaging, all items are easy to display and packed in recyclable, euro-hooked boxes.

Where they are most likely to be used:

A full product range for all office equipment and surfaces supplied in small sizes making them perfect for retail shops and for mobile workers.

Hand-Clene - hand sanitising gel

HSG050 50ml pump

Antibacterial hand sanitising gel with vitamin E and a blend of emollients to minimise the drying effects normally associated with alcohol based products. This specially formulated gel spreads easily onto the skin and dries in seconds.

Anti-static cleaner range ext

XFCL087 87ml aerosol

This is a powerful foaming surface cleaner for use with AF Super-Cloths to lift dirt and grease for that gleaming finish. Contains anti-static properties to reduce dust build-up.

Screen wipes 10 X wet/dry range ext - 10 duo sachets

XMCA010 10 wet/dry wipes

Individually packed sachets containing a wet/dry cleaning solution. Designed for use on all screens in the home and office including CRT, TFT, LCD, touchpads and plasma technology, these wipes remove dirt, grease and grime easily and quickly. Alcohol Free.

Hand Clene 50ml - point of sale

HSG_POS21 21 x 50ml (POS)

Antibacterial hand sanitising gel with vitamin E and a blend of emollients to minimise the drying effects normally associated with alcohol based products. This specially formulated gel spreads easily onto the skin and dries in seconds.

CD/DVD Lens Clene range ext

XCDL000 1 disk

An optical lens-cleaning disk which is fitted with two micro-brushes for safe and effective dust removal from the lens. Also for use on CD-ROM, CD-RW, DVD, game console and audio CD drives. Not suitable for slot loading drives.

Lens Clene wipes range ext - 10 duo sachets

XLNC010 10 wet/dry wipes

Camera lens cleaning wipes for removing dust, dirt and greasy marks. A wet/dry system for safe cleaning of compact digital, camcorder and detachable lenses.

Screen-Clene 125ml range ext - pump spray

XMCA125 125ml pump spray

Screen-Clene pump spray for cleaning all screens including plasma technology. Use in conjunction with AF Super-Cloths. Dirt, dust and grease are removed quickly for a streak free finish.

The specialist manufacturers of technology and office equipment cleaning products for:

- PC • Workstation • Office equipment • Multi-media • Tablet • Smartphone
- Touch and plasma screen technology • Game console

HELP US SPREAD THE WORD, NOT THE GERMS

Easy-Clene cloth range ext - cloth

XMIF001 1 micro-fibre cloth

Micro-fibre cloth specifically developed to provide a cleaning solution for the more delicate tasks around the office. Used wet or dry, they remove grease, dust and finger marks to leave a sparkling finish.

Anti-static surface wipes range ext

XPCC100S 100 wipes - small tub

General purpose pre-saturated cleaning wipes. Non-flammable and alcohol free, they contain anti-static solution in a re-sealable tub.

Anti-static surface wipes range ext - 100 refill for XPCC100S

XPCC100SR 100 wipes - refill small tub

General purpose pre-saturated cleaning wipes in a refill pouch, for use with XPCC100S. Non-flammable and alcohol free, they contain anti-static solution. Saves on packaging and waste.

Office Cleaning Kit range ext

XPCSK000 Disk / Ultraclene / 125ml Screen-Clene / Super-Clene cloths

Four products for cleaning computer equipment and other hard surfaces quickly and easily. This complete kit is ideal for small offices or home office use.

Telephone cleaning wipes

XPHC010 10 wet/dry wipes

Pre-saturated anti-bacterial cleansing wipes for cleaning and sanitising all phones, headsets and telecommunication equipment. Ideal for use on mobiles, hands-free kits and Bluetooth devices.

Super-Cloths x 25 range ext - 25 cloths

XSCH025 25 cloths

Large non-woven (320 x 340mm) cloths for general cleaning applications. Ideal for around the office and home. Retain their strength even when wet.

Sprayduster - 100G aerosol duster

XSDU100 87ml aerosol

A non-flammable sprayduster for removing microscopic dust, lint and other contaminants from hard to reach places. Ideal for keyboards, printers, fax machines, audio/video equipment, VCRs, CDs and other delicate equipment.

Screen Protector / Cloth Kit

XSSP000 25ml pump spray / cloth

Anti-static screen protector fluid and micro-fibre cloth. Non-flammable, non-toxic and extremely safe to use, this film helps preserve screens as well as dramatically reducing static.

Whiteboard Clene - cleaning solution

XBCL125B 125ml pump spray

Ideal for removing most types of ink from whiteboard surfaces. Non-flammable with a pleasant lemon fragrance in a 125ml pump spray in a blister display.

Multi-Screen Clene - cleaning solution

XMCA125B 125ml pump spray

A universal cleaner for ALL types of screens including TFT, LCD, CRT, delicate plasma and touch screen tablet technology. For best results use with the AF Easy-Clene micro fibre cloth. A handy 125ml pump spray in a blister display.
